

D220

MiniPOS terminal

The D220 - the world's most innovative payment device - offers merchants and cardholders alike a whole new experience through multiple short range wireless communications, either as a traditional mPOS when integrating with mobile payment apps running on iOS or *Android*[™] platform smart devices, or as a standalone MiniPOS. The D220 comes packed with the industry certifications including PCI PTS 4.x, SRED and NFC contactless including MasterCard Contactless, Visa payWave, Amex Expresspay and Discover D-PAS.
